12 Defendant.

Case No. 2:15-cv-01341-JCM-PAL

**Request for Exception from  
Attendance - 14**

14 This matter is before the Court on the Defendant's Request for Exception from Attendance at  
15 Early Neutral Evaluation (#14), filed on September 4, 2015. Defendant requests that its insurance  
16 carrier be excused from attending the ENE in person. The request is based on the fact that Defendant  
17 has a substantial self-insured retention and any resolution of this matter will be funded by Defendant.

18 On September 8, 2015, the Court entered Minute Order (#16) instructing Plaintiff to file any  
19 objections to Defendant's requested exception by September 15, 2015 and informing Plaintiff that  
20 failure to object will result in granting Defendant's request. Plaintiff did not file an objection, and  
21 therefore, the Court grants Defendant's request. Accordingly,

22 **IT IS HEREBY ORDERED** that Defendant's Request for Exception from Attendance at Early  
23 Neutral Evaluation (#14) is **granted**.

24 DATED this 16th day of September, 2015.
